Together for Young Adult Carers

Young Adult Carers

European Round Table

MOVISIE is participating in a European project on young informal carers: 'Young Adult Carers' www.youngadultcarers.eu. In this project experiences and good examples of supporting young informal carers are exchanged with Scotland, Ireland, Germany and Italy.

On October 8 our foreign partners are coming to Utrecht. The goal of this meeting is to gain knowledge on supporting young informal carers in participating countries, in particular in the Netherlands. In May of this year MOVISIE visited Dublin. Here we heard a lot about the situation in Ireland. On October 8, it is our turn to shine a light on the situation in our country. Most of you have already agreed to contribute to this meeting. This is greatly appreciated.

Enclosed with this invitation you will find the program and location for the day.

We are looking forward to seeing you on the 8th of October.

With kind regards,
Jolanda Elferink en Ilse de Bruijn
